CAREER OBJECTIVE

Aim to work with a progressive organization in which I can contribute my technical skills and experience to enhance my own productivity at the same time achieving the organizational objectives with the attribute of the time, quality and discipline.

Seeking assignments in **Stage and Process Quality, Auditing, Inspection, NDT, Training** with an organization of high repute.

PROFESSIONAL COMPETENCIES

- A Performance Driven Professional with rich experience of **7+ Years** in managing **Quality Systems viz., Process Quality, Auditing, Inspection, Training, and Team Management.**
- Managing quality related all the work like in service check, quality check for various test Preparing procedures amendment in procedure, history chart, etc.
- Proven success in implementing quality standards.
- Knowledge of **various Welding Techniques such as** GMAW (Gas Metal Arc Welding), SMAW (Shielded Metal arc Welding), SAW (Submerged Arc Welding).
- Knowledge of **Physical lab testing** i.e.; Universal Testing Machine, Rockwell hardness e.c.t as per ASTM.
- Excellent analytical, **troubleshooting and inter-personal** skills with proven ability in driving numerous quality enhancement, process improvement and cost savings initiatives during the career span.
- Working with MBMA, ASTM, IS, ISO codes, AWS D1.1, ASME, SA-2.5.
- Planning, implementing & monitoring of technological changes to enhance productivity like (QMS) ISO 9001:2015, Kaizan, 7QC Tool.
- **ASNT Level- II in (DPT, UT, RT, MPT,)**
- Power user of **SAP.**

KEY STRENGTH

- Quality Assurance,
- Quality control,
- Quality management System, ISO 9001:2015
- Customer complaints,
- Process Audit,
- Product Audit,
- ASNT Level-II (DPT, UT, RT, MPT, VT)
- Microsoft Office

CAREER HIGHLIGHTS

Kirby Building Systems & Structures India Private Limited (Haridwar)
A Group Company Of Alghanim Industries
Senior Engineer - Quality Assurance
March 2020 To Till Date

Familiar Plants- Fabrication of PEB structure, Heavy structure, Paint Shop, Testing lab, PPGL & GP profile coils for roof

Clients : L&T, Adani, Railways, ThyssenKrupp and many other Government

- ✓ Complete responsibility of Incoming Raw Material, Stage and Final inspection with assembly including documentation for the manufactured items.
- ✓ Complete Responsible, Inspect Fabricated equipment in Fit up Stage, after that provide the Fit-up report to Production Department
- ✓ Complete Responsible, Inspect Welding of Fabricated Equipment in Final Weld Visual Stage.
- ✓ Regularly participate and submit Kaizen.
- ✓ Provide on Job Training to Welders Related to Weld Defects and Rework due to it.
- ✓ Responsible for Surface Preparation & Paint inspection of equipment as per client Requirement.
- ✓ **Responsible for Client inspection and prepared all documents as per client requirement.**
- ✓ Responsible for preparing monthly inspected parts data and rework data.
- ✓ Responsible for preparing and implementing **Welding Procedure Standards (WPS) as per AWS D1.1 & ASME.**
- ✓ Preparing Audit Documents and implementing 5S at workplace.

(Continued) ▯

- Power user of MS excel
- ERP
- Handling client ,customer and Sub – contractors

TECHNICAL SKILLS

- Universal testing machine(ISO2062) ,
- Welder Qualification ,
- Preparation of WPS , PQR and WQRT.
- QAP Approval
- Root cause analysis
- CAPA
- Raw material inspection as per quality standard
- Fabrication tolerance
- Error percentage analysis on monthly basis
- Paint test- (DFT,WFT)
- Salt spray,
- Adhesion test,
- blasting check by surface comparator(SA2.5)

TRAINING

- Six week's summer/industrial training on **DESIGN THROUGH AutoCAD 3d** modeling, 2D drafting.
- An Entrepreneurship orientation programmer on

- ✓ Development of documents like QAP, check list, NDT plan for the new developing product at works.
- ✓ 1st time clearance during client inspection.
- ✓ Timely submission of client inspection report for the related product as per plan.
- ✓ Quality Lab established, which have NDT Testing facilities for Raw Material as well as Welding.
- ✓ Develop Multiskilling of Level-I assistant for Performing NDT Testing.
- ✓ Overall responsibility for testing and inspection on shop floor.
- ✓ To provide professional training and on job training related to Quality Co-ordination with Plant Head and Head office relating to technical matters of Quality Assurance Department.
- ✓ Providing QAP knowledge with project specification to QA/QC team before starting the project.
- ✓ Customer complains resolving.
- ✓ Improving production process for standardization of products Improvement suggestions and actions taken to increasing plant efficiency Preventive Action Plan for reducing the errors in production.
- ✓ Calibration of Machines.

Multicolor Steels (India) Pvt Ltd Senior Engineer- Quality Assurance May-2018 To March 2020

Familiar Plants-Fabrication of PEB structure, Heavy structure ,Paint Shop,Testing lab,PPGL &GP profile coils for roof /cladding,sandwich pannel
Clients : L&T, Adani, Railways, ThyssenKrupp, AECOM , TATA,IOCL, Power Grid , Asian Paints , DMRC, e.c.t

- ✓ Working as Quality In charge in **Fabrication shop floor , paint shop ,Lab & Documentation.**
- ✓ Responsible for **conducting Process, Product Audit as per plan.**
- ✓ **Preparing & Analyzing Daily, Weekly & Monthly rejection trend** &ensure the action plan to reduce rejection as per target.
- ✓ Imparting training to workmen about quality plans for effectively deploying in day today's problem solving.
- ✓ To participate in supplier selection & evaluation audits.
- ✓ Preparing **WPS,PQR** as per tender requirement.
- ✓ Dealing with **customer complaint Document.**
- ✓ Ensuring **Layout inspection** (As per customer directed frequency).
- ✓ Preparing & Implementing procedure of **Documents as per ISO 9001(QMS)**
- ✓ Responsible for Client handling and third party inspection.
- ✓ Tender study and QAP approval
- ✓ Implementation of Kaizens & Poka-Yoke
- ✓ Functioning as Coordinator for implementation of 5-S on the shop floor.
- ✓ Conducting meetings with clients regarding the progress

RICHA INDUSTRIES LTD, Kashipur (Uttarakhand) Engineer –QA/QC

July 2015 to May-2018

Plant Type-Fabrication of steel structure (PEB,ROB ,FOB)

Major Clients: DMRC,Punj LLoyd.IOCL,BHEL,Wipro,EScort,Hero,Lafarge Cement,Essar Steel,Him Infrastructure,Lucknow Metro,Thermax,etc.,

- ✓ Inspection of raw material with MTC and verifying in Quality lab from Testing machine(UTM , Rockwell hardness test e.c.t) according to QAP.
- ✓ Preparing final inspection report for client.

small scale industries from **National small industries corporation LTD (NSIC).**

INDUSTRIAL TRAINING

- One Month Industrial Training at in **EWD-VI,Harduaganj Thermal Power station Kasimpur Power House Aligarh U.P.**
- **AutoCAD Modelling from Aligarh Muslim University**

- ✓ Conducting NDT test for checking flaws in metals & welding.
- ✓ Working on ERP for maintaining reports .
- ✓ Maintaining daily inspection report for accepted & rejected material.
- ✓ Working towards solving customer & supplier queries and complaints efficiently
- ✓ Responsibility of handling clients.
- ✓ Visit the Project site for Audit or Problem solving at the time of Erection.
- ✓ Maintains a positive work atmosphere by behaving and communicating in an effective manner with co-workers and supervisor
- ✓ Working on project of **PGCIL(TPL),DMRC,LMRC,IRCON,IOCL(PunjLloyd) ,BSBCCL** and other private projects.
- ✓ Managing quality related all the work like in service check, quality check for various test Preparing procedures amendment in procedure , history chart, etc.
- ✓ Controlling In - process quality checking of daily production as per drawings at each step of production and ensure that out of the total items checked not more than 2% & 5% should be major mistakes and minor mistakes respectively.
- ✓ Ensure timely and proper inspection of the loading gap analyzing of quality with root cause analysis and corrective actions parameters of Quality report to be checked and make new parameters of quality check.
- ✓ Tender study and QAP approvals.
- ✓ Analyzed different kinds of PEB site claims, and having capability to find out the root cause problems and made CAPA.

EDUCATION

B.Tech. (Mechanical)	Aligarh College of Engineering and Technology, Aligarh (U.P.T.U)	69.46%	2011-2015
Intermediate	B.L.Jain inter college Aligarh. (UP board)	58.2 %	2010-2011
Matriculation	B.L.Jain inter college Aligarh. (UP board)	65.3 %	2008-2009

ADDITIONAL INFORMATION

Name : **Praveen Verma**
Date of Birth : 23 July 1994
Sex : Male
Nationality : Indian
Marital Status : Married.
Languages known : Hindi, English
E-mail : praveen.verma2394@gmail.com
Correspondence Address : H.N. 17/211 Pipal Street Jaiganj Aligarh U.P.
Pin Code-202001

DECLARATION

I consider myself familiar with Mechanical engineering aspects. I am also confident of my ability to work in a team. I hereby declare that the information furnished above is true to the best of my knowledge.

THANKS FOR YOUR TIME
